From Carlisle, KY

Take 32 east to the light at the junction of Highway 11 North and 32 business, turn left at the light onto Highway 11 North, go 1.5 miles to the next light at the junction of Hwy 11 and Hwy 57 North, Go Straight thru the light onto Highway 57 North, Go 3.9 miles on Highway 57 North, turn right onto Maddox Pike. We are the first place on the left at the junction of Maddox Pike and Highway 57.

From Tollesboro

From the junction of the AA Highway and 57 South at Tollesboro—follow highway 57 South to Fleming County. Go through Mt. Carmel, the next community is Dalesburg. As you are leaving Dalesburg you will cross Logan Run Bridge, once you have crossed the bridge, go ½ mile, turn left onto Maddox Pike. We are the first place on the left at the junction of Maddox Pike and highway 57. Maddox Pike is 9.9 miles from the AA highway at Tollesboro.

**Alternate route for delivery trucks coming from Tollesboro:

Delivery trucks are advised that the turn at the junction of highway 57 South and Maddox Pike is a steep drop; some trucks have difficulty turning in and out at this junction.

***All delivery trucks coming from Tollesboro should follow the above directions to the bridge at Logan Run. Once you cross the bridge, go 3/10 of a mile, turn left onto a gravel lane before telephone substation, there is set of double gates in the chain link fence you enter our lot thru those gates.

Overnight Parking for Delivery Trucks is available, turn onto Maddox Pike and go past the 3rd gate and turn left just before the bridge. We have a lot there for overnight parking.
